Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Monday 26 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A sunny and dry evening, leading into a clear night.

This Evening and Tonight:
Sunny spells and a dry evening for most on Monday, it will feel generally warm. Cloud will arrive in the early hours, particularly in coastal areas, as well as some patchy fog, which will be gone by morning. Minimum temperature 12 deg C (54 deg F).

Tuesday:
Starting dry with some sunshine, but temperatures lower than recent days. Showers developing throughout the region in the afternoon, potentially locally heavy and thundery. Maximum temperature 24 deg C (75 deg F).

Outlook for Wednesday to Friday:
Heavy showers, and potential thunderstorms on Wednesday. Windy with temperatures continuing to be cooler, especially on the coast. Thursday and Friday bringing more unsettled weather, with further thundery showers.
